One day, a schoolteacher was talking to her first-grade class about whales when a little girl had a question….

Little Girl: "Do whales swallow people?"
Teacher: "No, even though they are much bigger than a person, they have throat pleats that filter their food of krill and plankton."
Little Girl: "But Mrs. Thurston says Jonah was swallowed by a whale."
Teacher getting angry: "Blue whales cannot swallow people."
Little Girl: "Well, when I get to heaven, I'll just ask Jonah if he was really swallowed by a whale."
Teacher, still red with anger: "What if Jonah went to hell?"
Girl: "Well, then you can ask him."
