Sermon Series: **Offensive Christianity**  
Sermon Title: ***The Offended Christian***  
Sermon Text: John 6:53-71

(John 6:53-71)

*Are you prepared to yield to the Truth of the Word  
however much it offends your flesh?*

*Or...*

*Will you also go away?*

*Now is the time to settle it...*

*Where else will we go?*

*YOU have the words of eternal life!*

(Mark 8:34-35)

*If we're going to live for Christ,  
we must first be prepared to die to self.*

*We'll never die to self until we surrender,  
without hesitation or reservation,  
to the will of God,  
even when He asks us to do  
some pretty radical things.*

*Would you ask the Lord  
right now to offend  
every false  
belief,  
idea,  
and behavior  
in your own life?*
