

Sermon Outline: 2.2.20

Sermon Title: **When the Glory Departs**

Sermon Text: Ezekiel 8-11

Pastor Keith's FB post from Tuesday night:

"We're losing our country to a loud, proud, unrelenting, immoral, ungodly, liberal, socialist, demonically-deceived minority... because too many so-called Bible-believing "Christians" have been too quiet, too passive, too apathetic, and too afraid to stand up and speak out... and because a bunch of lily-lipped, limp-wristed, noodle-spined, pseudo-preacherettes haven't taught them any better. I'm fed up with ALL of the above."

The Vulnerable Child Protection Act

"An act to protect certain vulnerable GA children from sterilization, mutilation, and other serious harms by medical professionals."

(Ezekiel 9:3, 10:18, 11:22-23)

Three Options in Our Culture

We can be...

Part of the Rebellion

Part of the Revival

Part of the Remnant

(Ezekiel 8:1-5, 6-12, 13-14, 15-18)

(2nd Chronicles 36:16) (2nd Kings 25:7)

Repentance & Revival

Requires an Individual Response

I can't do it for you.

You can't do it for me.

We can't do it for our nation.

But we CAN lead the way!

If Revival Doesn't Come...

The glory of God will depart,

The nation will be destroyed, but,

A righteous remnant will be delivered!

(Ezekiel 9:1-6)

Will you be one of those who

"sigh and cry"

about the sin in

your heart,

your church, and

your culture?
