Calvin Coolidge (30th, 1923-29):

"The foundations of our society and our government rest so much on the teachings of the Bible that it would be difficult to support them if faith in these teachings would cease to be practically universal in our country."

Barry Goldwater:

"A government big enough to give you everything you want is big enough to take everything you have."

Alexis de Tocqueville:

"Not until I went into the churches of America and heard her pulpits flame with righteousness did I understand the secret of her genius and power. America is great because she is good, and if America ever ceases to be good, she will cease to be great."
