Walking In Submission in the Home

Husbands are to be “*Christ At Home*”:

Both “*head*” and “*savior*” of the wife...

By loving, honoring, and cherishing her.

Wives are to be “*Church At Home*”:

A model of “*submission*” to the husband...

By submitting to, helping, and respecting him.

What is the primary role of the Christian child in the home?

(Ephesians 6:1-3)

Obey Your Parents!

Why? Because it’s right!

It’s the proper order.

It is what pleases God.

It is what produces self-discipline.

It is what promotes harmony.

Honor Your Parents!

Why? For your own success!

Because their roles deserve it.

Because God commanded it.

For longevity and prosperity.

(Ephesians 6:4) (Colossians 3:21)

Directed very specifically to fathers...

The Warning...

Don’t provoke your children!

The Command...

Nurture and admonish them!

Harmony At Home comes from...

Children who *obey and honor* their parents; and,

Fathers who *nurture and admonish* their children.
