(Ephesians 6:5-9)

On The Job For Jesus

Christian Employees...

Be Obedient – Do Your Job, and...

Do it with the right attitude!

With fear

With trembling

In singleness of heart

Not with eyeservice

As unto Christ

For three reasons...

Doing the will of God

With good will doing service

The same shall receive of the Lord

Christian Employers...

Do the same things unto them

Forbearing threatening

Knowing your Master is also in heaven

There is no respect of persons with Him

The Bottom Line:

We can be a witness at work.

We ARE a witness at work.

The question is,

Are we a bad witness?

Are we a good witness?
