Walk In Submission

First, to God; then, to one another.

Greek: *Hupotasso*: “Under” and “Arrange”

“Voluntary attitude of giving in, cooperating, assuming the responsibility and/or burden of.”

(Ephesians 5:22-33)

Husbands are to be “*Christ At Home*”:

That is, both “*head*” and “*savior*” of our wife.

(Romans 5:12, 5:19)

How can a husband succeed as “head and savior”?

By loving his wife:

A seeking love

A sacrificing love

A saving love

A sanctifying love

By honoring his wife:

(1st Peter 3:7)

Valuing her person

Valuing her position

Valuing her presence

By cherishing his wife:

Providing for her

Protecting her

Promoting her

(Revelation 19:7)
