Sermon Title: **You Have What It Takes!**

Sermon Text: 2nd Kings 4:1-7

The Woman's Desperation

*You can be in the center of God's will, devoted to Him,
and still find yourself amid death, debt, and despair.*

The Prophet's Questions

*Desperation about what we need but don't have
sometimes helps us realize the value of what we do have.*

The Prophet's Instructions

*The greatest potential to receive God's blessing
is found in a faith that is willing to walk in quiet obedience.*

The Woman's Blessings

*What we already have is usually more than enough
to provide everything we need, both now and later.*

(John 14:12-21)

**YOU HAVE
WHAT IT
TAKES!**

(2nd Corinthians 9:8, 9:6, 9:9)

YOU HAVE WHAT IT TAKES!

*When you begin to pour out from what you do have...
into empty vessels who don't have what you have...
God will fill them and replenish you...
by His all-sufficient Spirit.*

(Luke 6:38)
