A NEW K-Connection Class for young men 18-25 years old will kick off on Sunday, November 2, 9:30 AM, and will be led by Bro Zach Lloyd.

“The Five Aspects of Masculinity for Young Men emphasizes a boy's passage from a dependent to a decision maker, provider, protector; from a fool to a wise man, and from a follower to a leader who represents God and His masculine roles. Each aspect is studied four times: created, fallen, redeemed, and life application.

Do you have questions about what it means to be a masculine man?

What is God's design for me as a man?

What is masculinity? Is it different from femininity?

Do the Fatherhood of God and the Sonship of Jesus mean anything?

What should I spend my time and energy doing?

As a man, how am I to care for others?

What is the purpose of all this education?

Are competition, strength, and the desire to fight wrong?

How can I live in this world without being ruined by it?

We are living in an unprecedented time of gender chaos. While the world teaches that anything goes, the Bible's message remains steadfast and clear concerning God's design for gender. *The Five Aspects of Masculinity for Young Men* study speaks clearly and encouragingly to issues that young men face by organizing the Bible's teaching on manhood into five aspects. Each aspect is studied as God created it, as sin marred it, as Christ redeemed it, and as it applies to life now.”
